

BONALDO

Passy

Designer: Fabrice Berrux

The style of the designer glass coffee tables designed by Fabrice Berrux sums up a discreet elegance that is both structural and functional at the same time while drawing attention to a number of sophisticated details, most noticeably, the metal “chess board” structure that can be glimpsed under the glass top. The designer glass coffee table is available in different formats including square, rectangular and circular, which allow you to create countless furnishing solutions and combinations.
