

BILIA MINI

Gio Ponti

Nothing more than a sphere, set in an apparently impossible feat of balance, upon a cone that serves as the base. One of Gio Ponti's many compositional magic tricks, designed in 1932. In designing Bilia, Gio Ponti imagined a smaller version in a range of "spray colours". From those handwritten notes of the original project, FontanaArte presents Bilia Mini in new breathtaking chromatic variations.

BILIA MINI - WHITE
