As standard, polyurethane complies with CAL TB 117 without flame retardants; the flame-retardant version BS 5852, crib 5 is available with an 8% surcharge. Powder-coated square steel base. Available with fixed upholstery (code 03K) or in the version with removable quilt (code 03G). Code 340 for quilt only.

FJORD POUF

Cold injected polyurethane with an impact-resistant plastic base. As standard, polyurethane complies with CAL TB 117 without flame retardants; the flame-retardant version BS 5852, crib 5 is available with an 8% surcharge.

NOTES:

- cod. 03G: armchair with removable quilt fixed with zip
- ZIP colors: match with the base or the back cover, or +5% for out of standards colors
- leather quilt not available
- stitching for pouf: match with the side
- stitching for armchair & stools: match with back cover
- stitching for all models (without charge): standard (white, black or red) or out of standard (refer to Divina color palette)
- Recommended fabrics: check out www.moroso.it/productname --> "Configure your product" or monet.moroso.it.

please note: the price of Relax armchairs with quilt is the combined price of code 03G + code 340. For additional quilts for armchairs already delivered, we must have the original quilt in order to supply the correct zippers length.
