

AMOR / FRAME: Headboard features a unique double folded tight back design. Headboard is constructed on solid birch wood with plywood reinforcements. Side and End Rails are also comprised of plywood and cushioned with integrally-molded polyurethane foam, finished with fabric lining. **SLATS:** Wooden slats fully secured and nested in a metal frame further stabilized with three metal support bars, (two which are U-shaped). **LEGS:** Steel legs are finished in black metallic paint and topped with plastic glides. **UPHOLSTERY:** Available in both fabric and leather upholstery. Covers not removable. Covers for headboard and side rails are separated.
