Arco K

Designed by Achille and Pier Giacomo Castiglioni, 1962

Incandescent - 100W

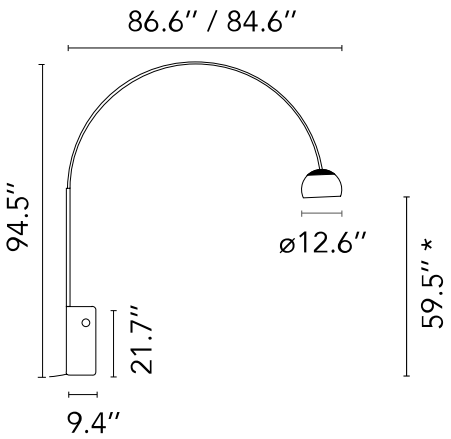

Floor lamp emitting direct light. Transparent K9 crystal glass base. Satin-finish stainless-steel telescopic stem. Swivelling and height-adjustable reflector in pressed, polished and zapon-varnished aluminium.

Created to celebrate the 60th anniversary of Flos and the original Arco, Arco K revisits the legendary lamp by Achille and Pier Giacomo Castiglioni in a limited-edition update of the timeless design. Its iconic form remains intact, but the marble base is reimagined in transparent K9 crystal glass, exposing the structure and drawing the gaze along the legendary arc. A tribute to both innovation and tradition, Arco K reasserts the unique place this design holds in homes and hearts worldwide.
