

CHAIR and SMALL ARMCHAIR

One-piece reinforced polypropylene high pressure injection gas molded piece.

Chairs can be stacked up to 8 high.

Small armchairs can be stacked up to 4 high.

TABLE

Reinforced polypropylene over steel column and base covered in polypropylene.

NOTES:

- minimum order for chairs and small armchairs: 4 items or multiples of 4 in same colour and model
- shading and other minor colour variations, more visible in black, are inherent in the material and are not a defect
- tables are not recommended for commercial and intensive use as the material does not tolerate sustained temperature ranges above 30°C or prolonged direct exposure to sun
- Tables available until stocks last.

SEDIA e POLTRONCINA

Monoscocca in polipropilene rinforzato ottenuto da stampo con iniezione a gas.

La sedia è impilabile fino a 8 unità.

La poltroncina è impilabile fino a 4 unità.

TAVOLO

Polipropilene rinforzato con colonna e base in acciaio rivestiti in polipropilene.

NOTE:

- ordine minimo per sedie e poltroncine: 4 pezzi o multipli di 4 dello stesso colore e tipo articolo
- il colore nero evidenzia maggiormente, rispetto agli altri colori, ombreggiature intrinseche del materiale, che sono da ritenersi nella norma
- il tavolo non è adatto ad un uso contract intensivo perché il materiale non sopporta un'escursione termica superiore ai 30 °C e un'esposizione diretta al sole
- Tavoli disponibili fino ad esaurimento scorte.
