

Atlas

Joan Gaspar

marset

Atlas transforms a common bulb into a spotlight, enveloping it following its outline. Taking its nudity as the starting point, it dresses the bulb up with a transparent suit that also gives the lamp the added benefit of lightness.

Made of transparent polycarbonate and a polyamide base, this directional spotlight can be grouped in bases of 2 units.

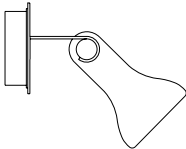

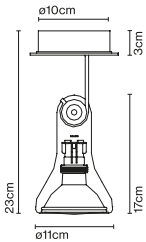

Atlas

Code	Finish	CCT
A34-050-50-27K	○ Transparent	27K
A34-050-50-30K	○ Transparent	30K
