

Noctambule Suspension 1 Low Cylinder Bowl

Designed by Konstantin Grcic, 2019

36W - 1007lm - 2700K - CRI> 90

Suspension lamp emitting diffused light. Composed of transparent interconnected blown-glass cylinders with a conical or semi-spherical shaped diffuser. Features die-cast aluminium ring connector, hydroformed steel internal arm and injection-moulded optical opal silicone outer-ring diffusers. Ceiling rose houses the power supply unit, enabling dimming from 10–100% via 0–10V/1–10 V, PUSH or DALI control.

Designed by Konstantin Grcic, Noctambule takes its name from the French word for a 'night owl'. By day, its transparent glass cylinders almost disappear into their surroundings. At night, LED rings at the intersections bring the lamp to life, creating luminous columns of light that can grow from three modules to towering heights. A masterful balance of restraint and drama, Noctambule is both system and sculpture, revealing its true character only when illuminated. Noctambule has received multiple design accolades.

Noctambule Suspension 3 Low Cylinder

Designed by Konstantin Grcic, 2019

36W - 1196lm - 2700K

Suspension lamp emitting diffused light. Composed of transparent interconnected blown-glass cylinders with a conical or semi-spherical shaped diffuser. Features die-cast aluminium ring connector, hydroformed steel internal arm and injection-moulded optical opal silicone outer-ring diffusers. Ceiling rose houses the power supply unit, enabling dimming from 10–100% via 0–10V/1–10 V, PUSH or DALI control.

Designed by Konstantin Grcic, Noctambule takes its name from the French word for a 'night owl'. By day, its transparent glass cylinders almost disappear into their surroundings. At night, LED rings at the intersections bring the lamp to life, creating luminous columns of light that can grow from three modules to towering heights. A masterful balance of restraint and drama, Noctambule is both system and sculpture, revealing its true character only when illuminated. Noctambule has received multiple design accolades.
