Ariette 1

Designed by Tobia Scarpa, 1973

Halogen - 4 x 40W

Wall- or ceiling-mounted lamp emitting diffused light. Features a synthetic fabric diffuser and a 30% fibreglass-reinforced polyamide wall and ceiling fitting.

Designed by Tobia Scarpa in 1973, Ariette pairs geometric simplicity with material innovation. Soft, atmospheric light filters through a delicate synthetic textile in a unique creation inspired by the designer's passion for experimenting with new materials. Despite its minimal construction, Ariette has a striking visual presence, making it an enduring design that feels as relevant today as when it first launched.
