

Coordinates Wall 1

Designed by Michael Anastassiades, 2020

18W - 961lm - 2700K - CRI> 90

Wall-mounted lamp emitting diffused light. Composed of a horizontal bar made of extruded, processed and anodised aluminium with a platinum optical silicone diffuser housing an integrated LED strip. Supplied with a dedicated rose with integrated electronics compatible with TRIAC dimming only.

Designed by Michael Anastassiades, Coordinates Wall brings the collection's linear, grid-inspired language to the wall in a pared-back horizontal composition. Evolving from a commission for the historic Four Seasons restaurant in New York, Coordinates takes inspiration from the Cartesian grid, translating pure mathematical precision into light. Its modular, scalable system allows configurations ranging from minimal arrangements to complex installations. Elegant, imposing and expressive, it brings geometry to life within any space.
