WARNINGS:**

Per quanto riguarda il trasporto dei piani, consigliamo di maneggiare con cura e possibilmente di tenerli in posizione verticale (a taglio) e non orizzontale.

Per richieste di tavoli con piano in marmo su misura contattare l'ufficio vendite.

Per caratteristiche relative ai materiali utilizzati vedi sezione tecnica a fine listino.

Per alcune finiture viene aggiunto un sottopiano in pannelli di particelle di legno classe E1 o acciaio verniciato.

L'inserito in vetro e' disponibile in (VE02) vetro bronzato e (VE05) vetro fume'.

Per colori "finitura mazzetta RAL" si intende la selezione di cromie presenti nella mazzetta RAL CLASSIC.

For the transport of the tops, we advise to handle with care and to keep them vertically and not horizontally.

For requests for tables with marble top to measure contact the sales office.

For characteristics relating to the materials used, see the technical section at the end of the price list.

For some finishes an under-top in E1-class particleboard panels or painted steel is added.

The glass insert is available in (VE02) bronzed glass or (VE05) smoked glass.

For colours marked "RAL color chart finish", the selection refers to shades included in the RAL CLASSIC colour chart.
