

FLOS

FU157009 White

Clara

Designed by Piero Lissoni, 2015

55W - 3141lm - 2700K - CRI> 90

Ceiling or wall-mounted lamp emitting diffused light. Front diffuser made of high-efficiency injection-moulded opaline polycarbonate, with optional interchangeable decorative crowns. Ceiling/wall fitting in injection-moulded polycarbonate. Dimmable LED light source powered directly by mains voltage without the need for a transformer.

Designed by Piero Lissoni, Clara is an exercise in minimal elegance and a testament to his refined use of form and detail. At once brilliant and simple, the design was inspired by a line from one of Lissoni's favourite films, Young Frankenstein. Clara delivers pure, even illumination with a discreet architectural presence.
