

FOSCARINI

Twiggy Floor

Marc Sadler
2006

Suspended on a stem made of composite material, flexible like a fishing rod and with adjustable height, Twiggy has a simple yet brilliant design, which has become a Foscarini Icon. Twiggy guarantees direct lighting to the area underneath it and diffuses a warm, ambient light upwards. The LED grouping has been redesigned to reflect a more uniform light.

Twiggy Floor

Color

White, Burgundy, Crimson, Graphite, Greige, Black

Material

Coated fibreglass-based composite material, PMMA, polycarbonate, coated metal and aluminium

Light Source

Bulb not included E26 3x25W Max On-Off

Weight

lb 36,6

Certifications
