

D-SCAPE

Diesel Living with Moroso, 2025

A futuristic vision of comfort, D-Scape is a sculptural, modular form with soft organic volume that appears shaped by gravity, weightless yet substantial.

The D-Scape collection's asymmetric geometry and plush forms, rooted in the aesthetic language of Cosmic Pop, create a dynamic statement in contemporary living.

TECHNICAL INFORMATION
STRUCTURE

Base platform in upholstered plywood; backrest in single-block expanded polyurethane with internal wooden and wooden-derived frame; seat in flexible, differentiated-density polyurethane foam with a top layer of viscoelastic foam, on a wooden and composite base. Feet in polypropylene with interchangeable insert.

SEAT HEIGHT

Without applied load: 40 cm.

UPHOLSTERY

The D-Scape collection covers are removable.
For the recommended fabrics see the table on pages 3-5.

The seat cushions can be lifted off the contoured base that keeps them securely in place, by means of Velcro fastenings, allowing the covers to be fully removable
